## **ABOUT US**

IFTEC Marine Services LLC is ISO 9001: 2015 CERTIFIED COMPANY. IFTEC has unique expertise in Life Rafts, Life Boats, FFA, and LSA Servicing and repair and is also capable of providing ship repair services for a wide range of vessels at all of Oman's major ports.

IFTEC Marine has modern Marine Servicing Centers adjacent to the Ports of Sohar, Duqm and Salalah Port Service. These stations are approved by Lloyds Register, ABS, DNV, BV ....., the original equipment manufacturers, and the Ministry of Transport, Communications, and Information Technology in Oman. All our Technicians have received manufacturer's training and are licensed to carry out repairs.

IFTEC Marine is a high-quality provider of specialist services to the maritime Industry in Oman in both commercial and leisure. As the main ports of Sohar, Salalah, Duqm, and Muscat developed, IFTEC Marine expanded its range of services to include ship repair, marine safety equipment such as life rafts and lifeboats, fire fighting equipment, electronic and navigational aids.

IFTEC Marine has provided services to all maritime users in Oman including the Royal Navy of Oman, Royal Oman Police, Asyad Group, as well as major Port operators such as Svitzer Weissmuller and other shipping lines. IFTEC intends to expand its range of sales and service centers to the new leisure marinas in Oman plus mobile service centers to improve the speed and quality of response.
